

Thinking About

Fixing Things Up

A Little?

With up to **\$7500.00** Available Interest-Free*
the KLCFDC's new **BIP** opportunity can help!

BIP is our "**Business Improvement Program**"
where local businesses can get help with new,
physical improvements to existing facilities to stimulate
business growth and long-term development.

BIP helps you make a positive impression – for both
the facility and those patronizing it, as well as the
chance to improve your "bottom line". For example,
it could be a new sign on a store front, a renovation
for the purpose of expanding a retail operation, the
creation of a showroom or counter to add to your
sales volume, possibly a new demonstration facility
for your operation, or even a ramp to help with
customer accessibility.

Approved **BIP** loans, which may be up to **\$7500**,
are interest free* with repayment terms of up to
five years. Full details, terms and conditions and
preliminary **BIP** application forms are available on
our web site or by contacting us directly.

**WHY WAIT FOR SPRING –
DO IT NOW!**
